[REDACTED]

Good Afternoon,

Yesterday afternoon 2/6/2012 there was a daytime robbery. The thief entered the rear of a home in the 1500 building, stole a computer, and ran away to the apartment complex adjacent to RTL. More details to follow. I cannot stress the importance of calling Sanford Police Department (407-888-5070) and reporting any suspicious activity or calling 911 if you believe there is a crime in progress. Do not become a victim, please ensure that you are closing your windows, locking your doors and using your alarm. Please do not let others piggy back

into the gate or open the gate for persons whom are waiting to get in, simply use the alternate gate. Additionally, whatever time you get home, please take a drive around the community and observe and report any suspicious persons, vehicles or activities. If you attended the Neighborhood Watch Meeting, you already know, the patrol officer, Officer Buchannon and Supervising Sergeant, Sergeant Herx could not stress enough they need your help! You can make a difference and send a clear message that you will not let your community become a thieves paradise.

Please contact me directly at [REDACTED] with any questions, comments or concerns regarding the content of this message.

Thank you,
George Zimmerman
